An indispensable guide to the coolest bars in Tokyo.Von Ein KundeWritten with verve by a well known expert of Tokyo after dark, I have personally enjoyed many a spot listed in this essential guide to the Tokyo night scene. Sure, things change, clubs close, but this book should be a core holding in your library of club reviews.0 von 0 Kunden fanden die folgende Rezension hilfreich. Get this book!Von Ein KundeThis book is mostly up to date and is still the most informative and enjoyably readable guide to the Tokyo night-life scene. I've lived in Tokyo for years and never would have found the wonderful places this book led me to. Kudos to the author.0 von 0 Kunden fanden die folgende Rezension hilfreich. Out of date, out of touch - don't do it!Von Ein KundeTokyo has changed a lot - which makes this book close to useless. You'd be better off spending time having the locals show you around than reading this.
