Von Yi Yang, Serena Hao Pan, Li Sun : Top 10 Guide to Beijing (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Top 10 Guide to Beijing (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It's like having your personal tour guidesVon Brad TensorThis is a terrific Guide. I bought it as I was heading off for trip to China with Beijing as my target. It's by three young women who grew up in Beijing. It was a delight to use. It was easy to read, they know all the inside information and they make sure you see all the important sights in Beijing. It's like having three Beijing natives as your personal tour guides. I highly recommend this guide.Brad Transor
