**Von Tony Miles : Top Tactics for Big Perch (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Top Tactics for Big Perch (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very interesting and rather specialVon Michael LippertI found the book one of the more convincing examples of perch fishing literature. Tony Miles knows his target species well and describes the way to catching it in a very authentic, detailed and realistic way. What is especially interesting is his method of using a float to fish for perch. Usually artificial rubber lures are used, but Tony Miles does a very good job of advertising this method. I'd buy it again!

Kurzbeschreibung Instructional book covering the techniques for catching big perch in fisheries in the UK. The book also contains descriptions of encounters with the biggest perch ever caught by the author. Kurzbeschreibung Instructional book covering the techniques for catching big perch in fisheries in the UK. The book also contains descriptions of encounters with the biggest perch ever caught by the author. ber den Autor und weitere Mitwirkende Tony Miles has been writing about catching big fish for nearly fifty years. In that time he has written 17 books as well as contributing to many others with guest chapters. He has also contributed in excess of 1000 articles to the monthly and weekly angling press as well as appearing on television and radio angling programmes.
