Von Allegra Skye : Touched (Book #2 of the Shadow Vampires) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Touched (Book #2 of the Shadow Vampires) (English Edition):

Besser als der erste TeilVon TitaMit Touched ist nun der zweite Teil der Shadow Vampires erschienen. Vom Inhalt her geht es wieder um Keira und Cooper. Die beiden werden noch immer von den Schattenvampiren gejagt. Man erfahrt jetzt mehr ber die Hintergrnde und Coopers Geschichte. Es kommen neue Vampir Stimme hinzu und auch Keiras Zwillingschwester Amanda spielt wieder eine Rolle. Die Geschichte ist sehr spannend vom Aufbau her und ich finde die Welt mit den verschiedenen Vampirarten auch sehr interessant, es ist auf jeden Fall nicht der tausendste Standardvampirroman sondern etwas besonderes.Der Schreibstil von Allegra Skye war fr mich am Anfang etwas

gewohnungsbedrftig, schon beim ersten Band hatte ich teilweise meine Probleme damit, weil sie viele Dinge sehr schnell abhandelt, die man auch htte etwas ausbauen knnen. Auerdem gibt es auch einige Rechtschreibungs- und Formatierungsfehler, aber damit muss bei einer Indie-Autorin auch rechnen. Trotzdem muss man einfach immer weiter lesen, weil die Handlung so interessant ist. Und nach einigen Seiten hat man sich an den Schreibstil gewhnt und man kann richtig in das Buch versinken. Insgesamt fand ich Touched besser als den Vorgnger Saved, da hier mehr Spannung aufkommt und man merkt wie sich die Hauptfigur Keira weiterentwickelt. Im ersten Band fand ich sie noch nicht so sympathisch, aber jetzt ist sie mir schon irgendwie ans Herz gewachsen und ich will auch unbedingt wissen, wie es weiter geht.

Kurzbeschreibung "A fantastic new vampire series!"--Morgan Rice, #1 Bestselling author of THE VAMPIRE JOURNALS In TOUCHED (BOOK #2 OF THE SHADOW VAMPIRES), Keira Blaine is on the run with her new love, Cooper. Having just finished vanquishing the first wave of Shadow Vampires, the small town of Everstock is no longer a safe place for them. They have to flee, and search for a safe haven together. Keira cant return home anyway, especially after running away from her parents to be with Cooper. As they embark on their journey together, Cooper tells Keira about his long-lost mother and her tribe, The Torches, a race of positive vampires, rival enemies to the Shadow Vampires. Separated from her at birth, Cooper is determined to find his mother, and to follow the clues and his magical ring that will lead him to her. Keira is determined to find out more about who she is becoming, too, and where her new powers are coming from mysterious powers that are growing by the day. Is she a vampire, too? Where is her strength coming from? What is her destiny? Keira and Cooper continue on their fantastical journey to mysterious islands in Lake Michigan. They manage to find Coopers mother and her tribe but once there, Keira has to confront a beautiful young Torch woman, Tua, who falls in love with Cooper and is determined to make him her own. Keira is forced to face danger alone at a club in Chicago, and to go back home and face her family and her old high school where she realizes that she is no longer welcome. Worse, the Shadow Vampires wont let them rest. They hunt them down, and enlist their most gorgeous soldier the teenage Percy to seduce Keiras sister, Amanda, and have her lead them to her. Amanda, despite herself, falls deeply in love, and Percy finds himself feeling unexpected feelings of his own. Will he have to betray his tribe? Keira and Cooper, too, are falling more deeply in love with each other but life circumstances seem determined to pry them apart. Will their love withstand the test? Will Keira find out who she really is? And will the Shadows hunt them down before they can each fulfill their mission? TOUCHED is Book #2 of the Shadow Vampires (following SAVED), and yet it also stands alone as a self-contained novel. Book #3 will be published soon! The first book in Allegra's new fantasy series, CHARLOTTE TWEED AND THE SCHOOL FOR ORPHANED DRAGONS, is now also available!
