**Von Janina Rossiter : Tovi the Penguin goes away for Christmas (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tovi the Penguin goes away for Christmas (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr schön! Von ussteph Sehr schönes kleines Kinderbuch. Niedliche Figuren und einfallsreiche Geschichte. Die vielen liebevollen Details sind sehr schön und durchdacht. Absolut empfehlenswert.

**Kurzbeschreibung** Tovi and his friends are going away for Christmas. They're very excited! But will Santa find them? Let's find out... Tovi books are designed in a simple animated way to give young readers the impression of watching a short film where Tovi and his friends play out their adventures. The books are aimed at children aged 2-6 (picturebooks), who hopefully will join Tovi in his mini-adventures, and learn something about life and the world around them. As the lovable characters in these books share a whole range of experiences, they learn about sharing, about helping each other, and most important, they learn the value of friendship. You'll be surprised what an exciting time little penguins can have! Tovi the Penguin is a children's book series also available to buy on : Tovi the Penguin - goes camping (Volume 1) Tovi the Penguin - goes to London (Volume 3) Tovi the Penguin - goes into space (Volume

4) and Tovi the Penguin - goes to the seaside (Volume 5). "What a fun book! My son is in love with penguins right now, so he especially enjoyed this book. The illustrations are amazing and the story has just the right amount of words for a toddler--he can learn from the words but there aren't so many words that it distracts from the pictures (which is of course his favorite part!)" A great book for toddlers or children up to 6 years old. [www.tovithepenguin.com](http://www.tovithepenguin.com)

**über den Autor und weitere Mitwirkende** bestselling author Janina Rossiter loves three things: design, France and her little family. She studied communication illustration design at university, and has lived in Germany (her home country), England (where she met her husband), and now France (where she vows to stay). After graduating with a degree from university she worked as a packaging designer for a few years before setting off on her own and expanding into freelance design. She enjoys the creative energy of Paris, where she lives with her English husband and 3-year-old daughter. With the arrival of her daughter, Janina's love for painting and drawing found a new lease on life and, before long, she combined her passion for illustration with the wonderfully inspiring world of children. After that, it was simply a matter of time before Tovi the Penguin was born...
