Von Jim Santos, Ken Shannon : Track: The Field Events (Sports Illustrated Winner's Circle Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Track: The Field Events (Sports Illustrated Winner's Circle Books):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A must have book for field event coaches!Von Hamer4mark@aol.comI first saw this book a my local library back in 1993 and it has helped me with my coaching at the junior college level ever since. I recommend this book to field event coaches of all levels. I have been wondering where I could buy this book, because no retail bookstore carries this subject. I even thought about telling the library that I lost it and paying for it that way! Thanks .0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book on field events for high school athletes. A must.Von Ein KundeHigh school athletes as well as coaches will love this book. It has great photo sequences and is written so the athlete can actually

take it to practice. Lots of humor in it to make the technical stuff actually fun and easy to understand. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book was really good. Von Ein Kunde This book is good for you if you are just starting out with little experience. It includes things on technique, training, diet, and drills. It really helped me succeed.
