An illuminating and deeply moving bookVon Ein KundeI looked on the 'Returned Books' cart at my elementary school library. I had a class just sitting down and a chance to read to them. I picked the new book with a familiar author name and a 'Newbery Notable' award on the cover.I expect anything recommended by a Newbery award to be good. Even so, I was caught by surprise. I started tearing up and had to pause to take a deep breath several times, trying not to cry. Bunting tells us what Marianne sees and thinks and says on her train ride west as she moves away from her life at the orphanage and toward a new life. But will she find her mama waiting for her, as promised?I did break down at the end, for a brief moment. I quickly gathered myself and finished the last few lines. I never had an experience quite like that before. 'Train to Somewhere' is a moving book, and a great read-out-loud for elementary school.(Something I discovered: If you want to read out loud, the parts in italics--Marianne's imagined pleas to her mother--work well when read in a whisper. An emphatic whisper.)0 von 0 Kunden fanden die folgende Rezension hilfreich. Touching, honest and very movingVon Ein KundeThis historical fiction for young readers is extremely well-written and remains true to the plight of the many orphans that rode the orphan trains. Without spelling out what happens to each of the 14 orphans aboard the train to "Somewhere", it does give young readers the perception that there were happy endings and some uncertain endings. At the same time, it instills the value of family and unconditional parental love to a child. A must read for children and adults alike!0 von 0 Kunden fanden die folgende Rezension hilfreich. one of the best children's books ever!Von Ein KundeThis story offers hope to any child who suffers major disappointments in life. It

is sad but exhilarating in the end. Great reading for adults and children.

KurzbeschreibungMarianne, heading west with fourteen other children on an Orphan Train, is sure her mother will show up at one of the stations along the way. When her mother left Marianne at the orphanage, hadn't she promised she'd come for her after making a new life in the West? Stop after stop goes by, and there's no sign of her mother in the crowds that come to look over the children. No one shows any interest in adopting shy, plain Marianne, either. But that's all right: She has to be free for her mother to claim her. Then the train pulls into its final stop, a town called Somewhere . . .
