Von Joyce Milton : Tramp: The Life of Charlie Chaplin (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Tramp: The Life of Charlie Chaplin (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. For Completists OnlyVon Ein KundeWhile she does trod some new ground here, Joyce Milton's biography is recommended only for those who have already viewed the original movies, and read David Robinson's definitive biography, CHAPLIN, Charles Maland's CHAPLIN AND AMERICAN CULTURE, Walter Kerr's THE SILENT

CLOWNS, and seen Brownlow and Gill's documentary, THE UNKNOWN CHAPLIN. Joyce's emphasis is on Chaplin's politics and relations with women. While these subjects are worthy of study, they are limiting in scope and do not provide a well-rounded portrait worthy of the artist and the man. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A life reviewed from all angles. Von Deborah Lovelace Although parts of this biography of Sir Charles Chaplin are very. . . disturbing, it does also present Chaplin at his best. It is a great read for one wanting a little more of the personal take on the early history of Hollywood, and its colorful characters. The biography also deals with the blacklisting that occurred during the McCarthy communist inquisition, and Chaplin's stance and involvement. If you want to read nothing but the nice things in Chaplin's life, do not even open the front cover of this copy. If your admiration of Chaplin is for his work, and you can handle a tarnished side of Chaplin, then by all means, read this book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. American Slapstick Von AJ Joyce Milton's painstaking bio on Chaplin is amazing. She writes over 500 small-print pages of absolute detail from David Robinson's cover-all-ground novel, to Richard Attenborough's bio-pic "CHAPLIN". Though Chaplin fans may be getting tired of endless bio's, she says all the same, but with new detail and some new facts. I would recommend this story of rags-to-riches to anybody. ***** out of five

Kurzbeschreibung Charlie Chaplin made an amazing seventy-one films by the time he was only thirty-three years old. He was known not only as the world's first international movie star, but as a comedian, a film director, and a man ripe with scandal, accused of plagiarism, communism, pacifism, liberalism, and anti-Americanism. He seduced young women, marrying four different times, each time to a woman younger than the last. In this animated biography of Chaplin, Joyce Milton reveals to us a life riddled with gossip and a struggle to rise from an impoverished London childhood to the life of a successful American film star. Milton shows us how the creation of his famous character the Tramp, the Little Fellow was both rewarding and then devastating as he became obsolete with the changes of time. Tramp is a perceptive, clever, and captivating biography of a talented and complicated man whose life was filled with scandal, politics, and art.
