Von Fulton J. Sheen : Treasure in Clay: The Autobiography of Fulton J. Sheen before purchasing it in order to gage whether or not it would be worth my time, and all praised Treasure in Clay: The Autobiography of Fulton J. Sheen:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. What a Treasure!Von Cary A. CusumanoMany people who were alive in the '50s and '60s are familiar with wit and wisdom of Archbishop Fulton Sheen from his television show, "Life is Worth Living." Sadly, I never saw or heard the man while

he was alive, but I have been fortunate enough to hear tapes of many of his conferences. I bought *Treasure in Clay* because I wanted to know more about the man, Fulton Sheen. What comes through in his television shows and tapes is but a small fraction of the remarkable works this man accomplished in his life. *Treasure in Clay* is a wonderfully inspiring book that I believe shows how one man's example of living life to the fullest can be achieved by all of us. Sheen discusses his childhood, his early priesthood, his university studies, and his life as a priest. He shares conversion stories, travel stories, humor, and wisdom that is just as applicable today as it was when he shared it with us decades ago. Not only will you gain a greater appreciation for what Archbishop Sheen accomplished in his life (and wonder how he found the time to do it all!), you will also read valuable lessons that you can apply to better your own.

Kurzbeschreibung *Treasure in Clay* provides a lifetime's worth of wisdom from one of the most beloved and influential figures in twentieth-century Catholicism. Completed shortly before his death in 1979, *Treasure in Clay* is the autobiography of Fulton J. Sheen, the preeminent teacher, preacher, and pastor of American Catholicism. Called the Great Communicator by Billy Graham and a prophet of the times by Pope Pius XII, Sheen was the voice of American Catholicism for nearly fifty years. In addition to his prolific writings, Sheen dominated the airwaves, first in radio, and later television, with his signature program *Life is Worth Living*, drawing an average of 30 million viewers a week in the 1950s. Sheen had the ears of everyone from presidents to the common men, women, and children in the pews, and his uplifting message of faith, hope, and love shaped generations of Catholics. Here in Sheen's own words are reflections from his childhood, his years in seminary, his academic career, his media stardom, his pastoral work, his extensive travels, and much more. Readers already familiar with Sheen and as well as those coming to him for the first time will find a fascinating glimpse into the Catholic world Sheen inhabited, and will find inspiration in Sheen's heartfelt recollections. *Treasure in Clay* is a classic book and a lasting testament to a life that was worth living.

Pressestimmen PRAISE FOR *TREASURE IN CLAY* Sheen...wrote of his sixty-year priesthood, from curate to bishop, with the same ability to simultaneously entertain and elucidate that made him a media star.
