Von Brian Lawrenson : Trek to Annapurna Base Camp (Asia Series Book 8) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trek to Annapurna Base Camp (Asia Series Book 8) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. schner BerichtVon HamburgEin sehr schner Kurzbericht, der zum Einstieg und als Anregung sehr entspannt zu lesen ist..Jedoch kein Ersatz fr Trekkingfhrer.

KurzbeschreibungWant to trek into the heart of the Himalayas ? Now you can. Join this party of four as they trek for 16 days deep into the Himalayas. Following the narrow twisting trail on the east side of the Modi Khola river as it cascades down from the Annapurna Sanctuary, they travel through picturesque Ghurung villages and forests of rhododendron, bamboo and oak that provide a complete setting of ambience of nature. In this travel book on Kindle youll discover: how to travel through some awesome picturesque landscapes, majestic panoramic views of snow-capped mountain peaks and experience Nepalese cultural diversity. Drop off to sleep with the distant roars of native Indian tigersthat finding yourself in complete isolation, surrounded by seven Himalayan peaks over 7,000 meters, is quite an experience the highlight of the trek, making all the effort worthwhile, as you experience the power of an avalanche as it cascades down the western slopes of Annapurna I, the tenth highest peak in the worldIn Trek to Annapurna Base Camp youll find all of these experiencesThis is not a guidebook. It is part of a series of travelogues set in Nepal with so many ohhh moments. Let your spirits of adventure soar in this very special place.
