It is amazing, a motivation and a inspiration, she speaks about her life, her ups and down and how she got up from the lowest moments of her life. I truly use this book as a inspiration, would recommend it to everyone. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enlightening and true... Von Paola Monroy No big major flowery words, no hoopla, no tell-all of glamour: rather, a beautiful expose of a woman's search for her truth and the journey itself. A lovely heartfelt book that will make you think about the value you give yourself, the love you have within.
