**Von Katherine Davidsen : Tuttle Pocket Indonesian Dictionary: Indonesian-English English-Indonesian (Tuttle Pocket Dictionaries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tuttle Pocket Indonesian Dictionary: Indonesian-English English-Indonesian (Tuttle Pocket Dictionaries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr klein, aber fr den Anfang berraschend gut gemachtVon Ibiss, MariaHallo,ich war ein bisschen berrascht, wegen dem doch sehr kleinen Umfang an Wrtern - gerade wenn man die Pocketwrterbcher von Langenscheidt gewhnt ist. Beim Benutzen habe ich jedoch gemerkt, dass wirklich genau die gngigen Wrter vorhanden waren, die ich suchte. Also alles, was man in einem A1.1.-Sprachkurs braucht. Wer darber hinaus mehr Vokabeln bruchte, muss wohl weitergucken. Ich finde es gerade ausreichend. :)

KurzbeschreibungUsers requiring a quick and handy reference work for Indonesian, particularly when they are out and about, need look no further than the Tuttle Pocket Indonesian Dictionary. This dictionary has been especially designed for foreigners working or traveling in Indonesia. It is equally useful for Indonesians who live abroad or in an English-speaking environment. No knowledge of Indonesian grammar or word formation is necessary to use this helpful dictionary simply look up the word as you hear or read it, and you'll quickly find it's meaning. This is a revolutionary feature that most other Indonesian dictionaries are lacking. Special features of this Indonesian dictionary include: Covers the 15,000 most common Indonesian and English words. A useful pronunciation guide. A small, compact size makes it portable and lightweight. Both Indonesian-English and English-Indonesian sections. Special emphasis is given to words vital in daily use, important in business and cultural settings, and useful to travelers. The entries in both sections contain common idioms and expressions, as well as up-to-date IT and Internet vocabulary. There are no other authoritative pocket dictionaries of Indonesian. The Oxford Starter's Indonesian-English Dictionary and the Tuttle Concise Indonesian Dictionary are larger dictionaries with more entries, but these are aimed at students rather than general users.KurzbeschreibungUsers requiring a quick and handy reference work for Indonesian, particularly when they are out and about, need look no further than the Tuttle Pocket Indonesian Dictionary.
