**Von Sarah Ockler : Twenty Boy Summer (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Twenty Boy Summer (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooGold Star Award Winner!It has been a year since the tragic death of Matt, Frankie's brother and Anna's best friend. Everyone is still mourning.Frankie's parents think they are ready to go to their annual vacation spot in Zanzibar Bay, California. And this summer they are bringing Anna along with them.Here comes the Absolute Best Summer Ever, code name A.B.S.E., for Anna and Frankie. Frankie has come up with the plan

for she and Anna to meet twenty boys while in California, for the "perfect" summer romance. Little does Frankie know, Anna has already had her perfect summer romance. It was last summer, with Matt. Before Frankie knew about it, Matt had died. He was to tell her on their vacation, and Anna had promised not to say anything. And she has still kept that promise. This story was amazing. It was so hard to put it down. It is a perfect read to start off the summer. I really enjoyed Anna's character, and by the end of the novel, you could really tell how much she changed. Frankie seemed so different from Anna; it was hard to picture these two completely different girls being best friends. Overall, TWENTY BOY SUMMER was totally amazing, and a great start to my summer reading. I recommend it to all!

Ich habe jetzt schon vier ihrer Bücher gelesen und dieses hier war dann auch das Letzte, mit dem ich es versuche. Ich frage mich wirklich, was die Autorin sich beim Schreiben gedacht hat. Teils wurde so ein Wirbel um das Geheimnis der Protagonistin gemacht, dass ich das Buch am liebsten gegen die Wand geklatscht hätte. Zumal man von Anfang an weiß: sie ist in den Bruder ihrer besten Freundin verliebt. Und als Leser weiß man das, im Klappentext steht es - es ist von der ersten Seite an klar. Das war wie ein Drehbuch, welches hier befolgt wurde. Die beste Freundin rastet auch gehörig aus, als sie dann gegen Ende davon erfährt. Allgemein baute das Buch auf ziemlich langweiligen Konflikten auf und ich hatte mir echt mehr erwartet. Ich dachte, es geht um Verlust und Freundschaft und nicht darum, wie man seine Gefühle erfolgreich verdrängt und mit dem nächsten Sommerflirt in die Kiste springt. Wahrscheinlich ist die Autorin einfach nichts für mich. Gute Ideen hat sie, aber die Umsetzung treibt mich doch immer wieder in den Wahnsinn. Bye, bye Ockler Bücher!

Kurzbeschreibung "Don't worry, Anna. I'll tell her, okay? Just let me think about the best way to do it." "Okay." "Promise me? Promise you won't say anything?" "Don't worry." I laughed. "It's our secret, right?" According to her best friend Frankie, twenty days in Zanzibar Bay is the perfect opportunity to have a summer fling, and if they meet one boy every day, there's a pretty good chance Anna will find her first summer romance. Anna lightheartedly agrees to the game, but there's something she hasn't told Frankie---she's already had that kind of romance, and it was with Frankie's older brother, Matt, just before his tragic death one year ago. Beautifully written and emotionally honest, this is a debut novel that explores what it truly means to love someone and what it means to grieve, and ultimately, how to make the most of every single moment this world has to offer. Pressestimmen "[A] sincere, romantic tearjerker. Readers will easily relate to Anna's authentically depicted feelings of lust, longing, shame and fear as she cautiously embarks on a new summer love." Kirkus s "This is smoothly written and romantic as all get out....ideal for readers looking for romance salted with a bit of tears as well as a bit of sea air." BCCB Werbetext A debut novel about friendship, first love and grief that will appeal to fans of Sarah Dessen, now in paperback
