Von Zane Grey : Twin Sombreros (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Twin Sombreros (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Pure Grey.Von Ein KundeThe all emcompassing "western writer", Zane Grey, portrays the pioneer life in a vivid realistic manner. Although the reader knows that it is fiction it is impossible not to feel that one is part of the unfolding drama. Betty Zane comes alive as she battles pride, traitors, and Indians to reach the arms of her lover Alfred Clarke. Mixed in this romance is the chilling fight for life by the whole pioneer settlement of Fort Henery. When completed the reader

cannot help but be awed by pioneer life and the eloquent writing of Zane Grey.0 von 0 Kunden fanden die folgende Rezension hilfreich. Betty Zane Von Margaret A. Brown As a descendant of Betty Zane, I found the book to be very enjoyable. How exciting it was to picture the everyday life of an ancestor. I know that the book is fiction, but it is also based on events and people who were real. Betty's run for gunpowder, is a documented fact, as was much of the history presented. My Great-Grandfather was a third cousin to Zane Grey, so this makes it even more special. I was not a Zane Grey reader before, as "Western Books" did not interest me. But as soon as I learned of the family connection I headed right for the library to read "Betty Zane" for the first time. I am purchasing a copy for my mother and my 10 year old grandson, as well as for myself. I guess this make me a Zane Grey fan now.0 von 0 Kunden fanden die folgende Rezension hilfreich. I've read over 60 of Grey's books and this is rates high. Von Ein Kunde As a lover of the American West, I have read all of Zane Grey's western novels. This book is one of his very best. He combines his usual descriptive scenery as well as historical scenes in a very interesting fashion. As a woman, I believe this is one of his most romantic novels. The innocence of the relationships during this time period is just as exciting as a modern novel. I highly recommend this book as reading for all sexes.

Kurzbeschreibung Zane Grey (1872 1939) was an American author best known for writing Western novels, with his most famous being Riders of the Purple Sage. That work is widely considered the greatest Western ever written, and Grey remains one of the most famous authors of the genre. Grey also wrote many other novels on fishing and baseball.
