Die unterschiedlichen Zeichenstile und die Vielfalt der Geschichten machen die komplette Reihe zu einem intelligenten und fesselnden Leseerlebnis. Unbedingt empfehlenswert!

Kurzbeschreibung Enter the darker side of humanity with Neil Gibson (Tabatha, Theatrics, Twisted Light) in this first volume of best-selling series Twisted Dark. 11 interconnected tales explore the themes of loss, hate, revenge and death, opening the path to a twistingly addictive universe that keeps readers guessing. Pressestimmen This is probably the best indie I have read this year and certainly affected me more than any book I picked up from the major publishers in many, many months. The fact that this is Gibson's first work simply astounds me. -Ain't it Cool News There's something really immediately impressive about Twisted Dark. A really well put together set of solidly entertainingly dark tales. Twisted Dark is an impressive debut from Gibson, one he'll hopefully build on for his next projects. -Forbidden Planet International. -Forbidden Planet International A punch to the gut that will remind readers that good comics can most definitely be found off the mainstream. -Newsarama
