expect. After I started reading "Two From Galilee," I absolutely fell in love with the book. Marjorie Holmes did an excellent job in portraying the characters in this novel. I could relate to Mary and Joseph and until reading this novel, I failed to realize that they too were capable of feeling "human" emotions. I loved everything about the novel and am so looking forward to reading the next one, "Three From Galilee." 0 von 0 Kunden fanden die folgende Rezension hilfreich. I feel in love with the book, I couldn't put it down. Von Ein Kunde I would tell anyone who would like to read "Two from Galilee" they would be reading a very close to real life version of what may have taken place concerning the life of Mary and Joseph. Of course it is not taken word for word from the Bible, but the author knew the customs and the way of life for the Jewish people and went from there. It is truly a wonderful love story about Mary and Joseph and how they may have coped with their unexpected news of Mary being chosen to bear the Son of God. I truly loved the book, in fact I just recently read it again for the second time. I usually read a book one time and put it away, this little book was just as moving the second time around (I read it the first time right after it was published, and just reread it again)
