**Von Kevin Henkes : Two Under Par** before purchasing it in order to gage whether or not it would be worth my time, and all praised Two Under Par:

Kurzbeschreibung It seemed to ten-year-old Wedge that most of the time nothing made sense anymore. Suddenly he

had a brand-new stepfather and a five-year-old stepbrother, Andrew. He lived in a new house, far from his friends, and his bedroom window looked out on a seven-foot castle that marked the eighteenth hole of the miniature golf course his stepfather owned. He hated it. Wedge does not easily let go of his anger, but the moment does come when things again begin to make sense. Kevin Henkes tells the story of Wedge's journey to understanding and acceptance with humor and sympathy. Pressestimmen Henkes's handling of Wedge's problems is masterful. (School Library Journal) Touching and funny. (Publishers Weekly) Kurzbeschreibung It seemed to ten-year-old Wedge that most of the time nothing made sense anymore.
