pamphlet than a book 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ntzliche Uffizien Untersttzung Von Halys Die Uffizien gehen bei einem Florenz Besuch zum Pflichtprogramm, haben allerdings den Haken, da sie den Besucher in punkto Erklungen alleine lassen. Dieser Kindle Fhrer erhebt nicht den Anspruch die Sammlung der Uffizien umfassend zu erklren, sondern pickt sich eine Reihe der bekannten Bilder heraus, gibt kluge, aber unterhaltsame Erluterungen, Hintergrund und ldt zu eigenstndigen Fragen bzw. Vergleichen ein. Der Fhrer ist nur eine Ergnzung und reicht alleine nicht fr die Uffizien aus, der geringe Preis deutet dies ja bereits an. Der ca. 20 Euro teure "offizielle" Fhrer der Uffizien bietet allerdings kaum mehr Text, allerdings mehr Bilder, meine Empfehlung geht bei einem "Auswahlfhrer" jedoch eindeutig zu diesem z. T. mit groem Witz geschriebenen Kindle-Fhrer. Das Englisch ist brigens mit wenig Mhe zu verstehen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very helpful book Von Mzee This is a very helpful little book to understand what you see at the Uffizi Gallery. Focussing on the "must-see", this opens your eyes without keeping you too bsy with reading. Definitely a useful book.

Kurzbeschreibung Uffizi Art History Guide - Unanchor Travel Guide By Alexandra Korey This guide to the Uffizi Gallery in Florence helps you identify the masterpieces and understand the meaning and importance of the paintings. For each important work in the Uffizi, youll get: photo of the painting relevant factual information basic interpretation of the works art historical context, or how the painting relates to those before and after it observation tips for a guided looking and learning experience. The Uffizi is one of the most important museums in the world. It is also big and tiring! Many visitors find it hard to enjoy because the museum does not provide helpful wall text that explains what youre looking at. If you have never studied the Renaissance or Art History, it is easy to miss the important works, or to come out not having understood why they are important. This guide is written by an art historian and blogger whose goal is to make art accessible. By asking questions, rather than just providing answers, youll find yourself looking at art in a more informed and enjoyable way.
