An Arabian Nights for the 21st centuryVon ConvokeA friend loaned me the paperback of this second in the seven book Harem Boy series. I had earlier read some of the others, so I knew what to expect. And I was swept up in a sexy fantasy that feels so real you can nearly touch it.Now, be warned, this is a book that includes sensuality, LGBT, and a spiritual perceptions about sex. This book is not for those children, yet it is a sexual coming of age series. Unbridled is

also the sequel to Initiation. With those caveats above, read this provocative story about a privileged boy initiated into clandestine sexual society in the Middle East. The writing style flows easily on the pages Von Al-Khemet Book Club Unbridled (A Harem Boy's Saga Book 2) by Young follows the release of his first in the series. It doesn't stray from the magnificence of the first plot line and readers are once again stunned with yet another revealing tale of what occurs behind closed doors, and it's nothing short of breathtaking. The writing style flows easily on the pages, simple and easy to understand. The characters are relatable and some you develop a love/hate relationship for. Well done. Kurzbeschreibung Unbridled is the sequel to Initiation - A provocative story about a boy who was initiated into a clandestine sexual society. He was spirited to the Middle East, from his UK boarding school. He attended the Bahriji School (Oasis,) in The United Arab Emirates in preparation for serving in harems for the wealthy and elite. It is also a love story between the young man, his Big Brother and his Valet who served as his chaperones and mentors during the boys harem services. This book follows the boy's erotic and exotic adventures and experiences at his 2nd Arab Household Harem, the Sekham. He was an apprentice and model, for the household patriarchs controversial photography project, Sacred Sex in Sacred Places. The author's experiences present facts that are truthful. Through these truths, which are often demonized by contemporary societies that deem such behaviors inappropriate, the author hopes to dispel condemnations and negativity which relate to his experiences. There are 7 volumes in A Harem Boys Saga series. Kurzbeschreibung Unbridled is the sequel to Initiation - A provocative story about a boy who was initiated into a clandestine sexual society.
